

2020 ELECTION QUESTIONS – SUPREME COURT

Should political parties endorse judicial candidates?

Should political endorsement be identified on the election ballot?

Should the rules be relaxed in terms of candidates speaking about issues that are pending or may come before the court?

Have you accepted or do you intend to seek endorsement and/or financial contributions from advocacy and lobbying groups? If so, which organizations/individuals?

Why do you want to be a judge? What are your personal priorities?

Briefly summarize your personal background and qualifications.
