Who we are:

The Minnesota Newspaper Association (MNA) is the voluntary trade association of general-interest newspapers in the State of Minnesota, acting on behalf of the state’s newspaper press; representing its members in the legislature and in court; managing local, regional, and national newspaper advertising placement; operating a press release service; and working to enhance the quality of the state’s newspapers.

Our Mission Statement:

To champion the ideals of a free press in our democratic society, to enhance the quality and economic health of the state’s newspapers, and to cultivate a volunteer and fraternal spirit among its members.

MEMBERSHIP
HAS ITS BENEFITS...

Advertising
Advocating for placement of print and digital advertising in member newspapers through a convenient “one-call, one-order, one-invoice” service. MNA statewide networks also help fund association programming while providing annual rebate checks to participating members.

Members Only Publications
Keep current on MNA, member, and industry news through the weekly Bulletin. The MNA website, www.mna.org, featuring a “members only” section, along with its Twitter and Facebook pages are updated regularly with important news and information just for you.

MNPublicnotice.com
Increasing accountability and transparency through public notices and expansion of access to this information – at no cost to local governments or to taxpayers – is the mission of our public notice site. All Minnesota newspapers accepting public notices are asked to participate by uploading published public notices to http://mnpublicnotice.com/.

Legal Hotline
Participating in MNA’s Legal Hotline is like having your own media attorney on staff. One call could save your newspaper thousands of dollars in legal fees. Pre- and post-publication advice is offered in libel, privacy, and other First Amendment issues. Newspapers pay a small fee in addition to their annual dues to participate in the Legal Hotline.

Convention / BNC
The annual event provides top speakers on timely industry topics, as well as the chance to network with fellow members. We recognize your hard work annually with the Better Newspaper Contest and awards banquet.

Government Relations
MNA works diligently at the capitol to monitor legislation and engage in direct lobbying of key industry issues like accountability, transparency in government, keeping public notices in print and various business/tax issues. Grassroots lobbying efforts by publishers and editors through editorials and contact with legislators are essential to our successful efforts.

Minnesota News Media Institute
MNI is the training arm of the Minnesota Newspaper Association. Founded in 2010, our mission is to provide education, training and professional development opportunities for the members of the Minnesota Newspaper Association, their employees, and news media professionals across the state.

Serving Minnesota for Over 150 Years

Our front cover....

The 2021 Directory Cover Contest winner is Kristin Woodwick, Sales Rep/Graphic
Designer for the Faribault County Register in Blue Earth. We asked Kristin to comment
on her design and she replied, “Living in the land of 10,000 lakes, the inspiration for my
cover design came from my love of the beautiful scenery of Northern Minnesota.”

A big congratulations from all of us here at MNA to Kristin and the 1st and 2nd runners
up (their designs are featured on pages 38 and 39).

**First Runner Up** (opposite page):
Design by Christine Jacobson, from the *Grant County Herald* in Elbow Lake
Photographs from Lonnie Olson
From the designer: Lonnie Olson and I appreciated the opportunity to enter the contest, and we were honored to be awarded 1st runner up. Lonnie Olson, amateur photographer from Elbow Lake, allows us to use his fantastic photos. They are a wonderful representation of Grant County and wildlife in Minnesota.

**Second Runner Up** (above):
Design by Luanna Lake, from Forum Communications Co.
Photographs from Adobe Stock
From the designer: I love all the seasons we get to experience here. That is what inspired me to find photos of Minnesota that depicted the seasonal beauty of this state and creatively meld them together.
