*The Northeast Arts Commune is an innovative communal creative studio that hosts the necessary working space, tools/equipment, and storage to help keep artists, makers, and creative types on their grind. An accessible art space that encourages and reinforces the natural creativity that lies in us all. We offer 24:7 member access + wide variety of art classes & creative workshops open to the public. We look to*

# THE NORTHEAST ARTS COMMUNE

*stimulate local economic growth by creating an affordable workspace for creatives to explore their passions alongside opportunities to sell their work, and by hiring local artists to teach our classes.*
