Minneapolis MN, January 16, 2019 - Bio-One Inc. has announced the opening of its newest franchise in the Minneapolis community. This location will serve the Minneapolis, St Paul and surrounding areas, as well as assist all other franchised locations.

“This is quite an honor for us, to have Mike and Linda Loesch owning a franchise in the Twin Cities area. The fact that we found a local couple who has a passion to help their community, gives us great pride at our corporate offices that we have the right people owning a franchise in Minnesota,” said Jason Obrien, CEO of Bio-One Inc. “Having Mike and Linda aboard signals that our constant efforts towards business and service excellence is paying off.
