

From Here to There to Everywhere

From the beginning
when newspapers started printing,
we've been grinning and winning
as we keep on delivering.

Whether it's reminiscing the old
or discussing the new,
we're committed to you.

Always have, always will, that's what we do!

From here to there to everywhere,
newspapers are found anywhere.
We're the #1 source to help you keep course.
What are you waiting for?

Join the force!

Have you
caught onto
the clues?
Whether it be
advertising
or news, we
are the ones
who'll
deliver for
you!
