2013 Pohlad Family Foundation Summer Youth Employment Program Information

Thank you for your interest in the 2013 Pohlad Family Foundation Summer Youth Employment Program! We are excited to offer this special opportunity exclusively to MNA member newspapers. The program, entering its eighth year, is designed to provide a wage subsidy to newspapers that hire high school-aged interns over the course of the summer. The Pohlad Family Foundation aims to provide youth with meaningful employment experiences, through this program.

The Subsidy

The Pohlad Family Foundation's Summer Youth Employment subsidy program offers a 75% subsidy for first-time interns, and a 40% subsidy for returning interns. The Pohlad Family Foundation requires that newspapers pay a portion to ensure a commitment from the participants and recommends an hourly wage of \$8.00/hour for interns participating in the program.

Here is the formula:

- **First time interns:** Member newspapers will be reimbursed for 75% of the intern's wage, up to \$1,200. For example: 20 hours per week, for 10 weeks, times \$8 an hour. (suggested wage) — the Pohlad Family Foundation grant will pay \$6 of that \$8 wage, for a total of \$1200.
- **Repeat interns:** Member newspapers, hiring interns for the second time, will be reimbursed for 40% of the intern's wage, up to \$640. For example: 20 hours per week, for 10 weeks, times \$8 an hour. (suggested wage) — the Pohlad Family Foundation grant will pay \$3.20 of that \$8 wage, for a total of \$640.

Because the foundation wishes to extend the program to as many new interns as possible, the subsidy for returning interns is reduced.

Reimbursement

After you are enrolled in the program, MNA will contact you throughout the summer to collect the number of hours your intern worked. At the end of the summer, you will receive a check from the Minnesota News Media Institute for the full amount of reimbursement grant funds you are owed.

Who Can Participate

Each newspaper may hire up to two (2) interns through this program. High school students aged 16-19, including those who will graduate in June 2013, are eligible. If hiring younger students, keep in mind that your insurance may not allow them to drive on the job. The foundation does not allow the hiring of relatives of any newspaper employee for this program.
