Timing is critical.

**When rain is forecast,
do not apply.** The *Runoff Risk
Advisory Forecast* tool can help
determine the best time to
apply fertilizer, manure,
or pesticides.

Your newspaper has agreed to participate in the Minnesota Display Ad Network program by running these ads in the main news section of your newspaper (not the classified section of your newspaper). At times, advertisers may request a specific section. However, the decision is ultimately up to each newspaper. Ads may need to be decreased/increased slightly in size to fit your column sizes. Please do not bill for these ads. If you have questions, please call MNA at 612/332-8844. Thank you.
