

Support local news on Give to the Max Day

Local news is the heartbeat of the community. But it's struggling.

At MNI, we offer free and low-cost training, internships and support for local news professionals, students and community members across Minnesota. We focus on practical skills, ethics, media literacy and more.

Get more details about what we do at the link below, then make your gift to help keep community news thriving in towns like yours.

HELP MAKE A DIFFERENCE FOR MINNESOTA COMMUNITIES
