MEMBERSHIP HAS ITS BENEFITS...

Advertising

Advocating for placement of print and digital advertising in member newspapers through a convenient “one-call, one-order, one-invoice” service. MNA statewide networks also help fund association programming while providing annual rebate checks to participating members.

Members Only Publications

Keep current on MNA, member, and industry news through the weekly Bulletin. The MNA website, www.mna.org, featuring a “members only” section, along with its Twitter and Facebook pages are updated regularly with important news and information just for you.

Minnesota News Media Institute

MNI is the training arm of the Minnesota Newspaper Association. Founded in 2010, our mission is to provide education, training and professional development opportunities for the members of the Minnesota Newspaper Association, their employees, and news media professionals across the state.

MINNESOTA NEWSPAPER ASSOCIATION

MNPublicnotice.com

Increasing accountability and transparency through public notices and expansion of access to this information – at no cost to local governments or to taxpayers – is the mission of our public notice site. All Minnesota newspapers accepting public notices are asked to participate by uploading published public notices to <http://mnpublicnotice.com/>.

Government Relations

MNA works diligently at the capitol to monitor legislation and engage in direct lobbying of key industry issues like accountability, transparency in government, keeping public notices in print and various business/tax issues. Grassroots lobbying efforts by publishers and editors through editorials and contact with legislators are essential to our successful efforts.

Convention / BNC

The annual event provides top speakers on timely industry topics, as well as the chance to network with fellow members. We recognize your hard work annually with the Better Newspaper Contest and awards banquet.

Legal Hotline

Participating in MNA's Legal Hotline is like having your own media attorney on staff. One call could save your newspaper thousands of dollars in legal fees. Pre- and post-publication advice is offered in libel, privacy, and other First Amendment issues. Newspapers pay a small fee in addition to their annual dues to participate in the Legal Hotline.
